

## REGULATION COMPLIANCE STATEMENT California Proposition 65

Statement Issue Date: 04/24/2024

Products Covered: All Products Manufactured by Bead Electronics & Bead Chain

Proposition 65 is a California voter initiative designed to protect citizens and sources of drinking water from harmful chemicals.

California is required to maintain and publish a list of chemicals known to cause cancer, birth defects and other reproductive harm. The list contains a wide range of naturally occurring and synthetic chemicals. First published in 1986, the list now includes approximately 900 chemicals and substances.

Bead Industries certifies that its products do not contain any materials contained on the Proposition 65 list as of 12/29/2023 except as noted on the exceptions below.

Exception: Tin Lead and Nickel Plated Products.
